Case No. 25-cv-378

Judge Thomas M. Durkin

Magistrate Judge Young B. Kim

**PRELIMINARY INJUNCTION ORDER**

Plaintiff MERCIS, B.V. (“Plaintiff”) filed a Motion for Entry of a Preliminary Injunction against the against the fully interactive, e-commerce stores<sup>1</sup> operating under the seller aliases identified in the Amended Schedule A attached hereto (collectively, “Defendants”) and using at least the online marketplace accounts identified in Amended Schedule A attached hereto (the “Online Marketplaces”). After reviewing the Motion and the accompanying record, this Court GRANTS Plaintiff’s Motion in part as follows.

This Court finds Plaintiff has provided notice to Defendants in accordance with the Temporary Restraining Order entered March 12, 2025, [Dkt. Nos. 36, 37] (“TRO”), and Federal Rule of Civil Procedure 65(a)(1).

This Court also finds, in the absence of adversarial presentation, that it has personal jurisdiction over Defendants because Defendants directly target their business activities toward

consumers in the United States, including Illinois. Specifically, Plaintiff has provided a basis to conclude that Defendants have targeted sales to Illinois residents by setting up and operating e-commerce stores that target United States consumers using one or more seller aliases, offer shipping to the United States, including Illinois, and have sold products using infringing and counterfeit versions of Plaintiff's federally registered trademarks and copyright (the "MIFFY Trademarks and Copyright") to residents of Illinois. In this case, Plaintiff has presented screenshot evidence that each Defendant e-commerce store is reaching out to do business with Illinois residents by operating one or more commercial, interactive internet stores through which Illinois residents can and do purchase products using counterfeit versions of the MIFFY Trademarks and Copyright. *See* Docket Nos. 20-26, which include screenshot evidence confirming that each Defendant e-commerce store does stand ready, willing and able to ship its counterfeit goods to customers in Illinois bearing infringing and/or counterfeit versions of the MIFFY Trademarks and Copyright.

This Court also finds that, with the exception of the asset restraint, the injunctive relief previously granted in the TRO should remain in place through the pendency of this litigation and that issuing this Preliminary Injunction is warranted under Federal Rule of Civil Procedure 65. Evidence submitted in support of this Motion and in support of Plaintiff's previously granted Motion for Entry of a TRO establishes that Plaintiff has demonstrated a likelihood of success on the merits; that no remedy at law exists; and that Plaintiff will suffer irreparable harm if the injunction is not granted.

Specifically, Plaintiff has proved a *prima facie* case of trademark and copyright infringement because (1) the MIFFY Trademarks are distinctive marks and are registered with the U.S. Patent and Trademark Office on the Principal Register and the MIFFY Copyright is

registered with the U.S. Copyright Office, (2) Defendants are not licensed or authorized to use any of the MIFFY Trademarks and Copyright, and (3) Defendants' use of the MIFFY Trademarks and Copyright is causing a likelihood of confusion as to the origin or sponsorship of Defendants' products with Plaintiff. Furthermore, Defendants' continued and unauthorized use of the MIFFY Trademarks and Copyright irreparably harms Plaintiff through diminished goodwill and brand confidence, damage to Plaintiff's reputation, loss of exclusivity, and loss of future sales. Monetary damages fail to address such damage and, therefore, Plaintiff has an inadequate remedy at law. Moreover, the public interest is served by entry of this Preliminary Injunction to dispel the public confusion created by Defendants' actions. Accordingly, this Court orders that:

1. Defendants, their officers, agents, servants, employees, attorneys, and all persons acting for, with, by, through, under, or in active concert with them be preliminarily enjoined and restrained from:
  - a. using the MIFFY Trademarks and Copyright or any reproductions, counterfeit copies, or colorable imitations in any manner in connection with the distribution, marketing, advertising, offering for sale, or sale of any product that is not a genuine MIFFY product or not authorized by Plaintiff to be sold in connection with the MIFFY Trademarks and Copyright;
  - b. passing off, inducing, or enabling others to sell or pass off any product as a genuine MIFFY product or any other product produced by Plaintiff, that is not Plaintiff's or not produced under the authorization, control, or supervision of Plaintiff and approved by Plaintiff for sale under the MIFFY Trademarks and Copyright;

- c. committing any acts calculated to cause consumers to believe that Defendants' products are those sold under the authorization, control, or supervision of Plaintiff, or are sponsored by, approved by, or otherwise connected with Plaintiff; and
  - d. manufacturing, shipping, delivering, holding for sale, transferring or otherwise moving, storing, distributing, returning, or otherwise disposing of, in any manner, products or inventory not manufactured by or for Plaintiff, nor authorized by Plaintiff to be sold or offered for sale, and which bear any of Plaintiff's trademarks and copyright, including the MIFFY Trademarks and Copyright, or any reproductions, counterfeit copies, or colorable imitations.
- 2. The domain name registries for the Defendant Domain Names, including, but not limited to, VeriSign, Inc., Neustar, Inc., Afiliast Limited, CentralNic, Nominet, and the Public Interest Registry, and the domain name registrars, including, but not limited to, GoDaddy Operating Company LLC, Name.com, PDR LTD. d/b/a/ PublicDomainRegistry.com, and Namecheap Inc., within seven (7) calendar days of receipt of this Order or prior to the expiration of this Order, whichever date shall occur first, shall disable the Defendant Domain Names and make them inactive and untransferable until further order by this Court.
- 3. Upon Plaintiff's request, Defendants and any third party with actual notice of this Order who is providing services for any of Defendants, or in connection with any of Defendants' Online Marketplaces, including, without limitation, any online marketplace platforms such as Alibaba Group Holding Ltd. ("Alibaba") and Alipay(collectively, the "Third Party Providers"), shall, within seven (7) calendar days after receipt of such notice, provide to Plaintiff expedited discovery, limited to copies

of documents and records in such person's or entity's possession or control sufficient to determine:

- a. the identities and locations of Defendants, their officers, agents, servants, employees, attorneys, and any persons acting in active concert or participation with them, including all known contact information and all associated e-mail addresses;
  - b. the nature of Defendants' operations and all associated sales, methods of payment for services, and financial information, including, without limitation, identifying information associated with the Online Marketplaces and Defendants' financial accounts, including Defendants' sales and listing history related to their respective Online Marketplaces; and
  - c. any financial accounts owned or controlled by Defendants, including their officers, agents, servants, employees, attorneys, and any persons acting in active concert or participation with them, including such accounts residing with or under the control of any banks, savings and loan associations, payment processors or other financial institutions, including, without limitation, Alibaba, Alipay, or other merchant account providers, payment providers, third party processors, and credit card associations (e.g., MasterCard and VISA).
4. Upon Plaintiff's request, those with notice of this Order, including the Third Party Providers as defined in Paragraph 4, shall within seven (7) calendar days after receipt of such notice, disable and cease displaying any advertisements used by or associated with Defendants in connection with the sale of counterfeit and infringing goods using the MIFFY Trademarks and Copyright.

5. Any Third Party Providers, including Alibaba and Alipay, shall, within seven (7) calendar days of receipt of this Order:
  - a. locate all accounts and funds connected to Defendants' seller aliases, including, but not limited to, any financial accounts connected to the information listed in Amended Schedule A hereto, the e-mail addresses identified in Exhibit 3 to the Declaration of Frank Padberg, and any e-mail addresses provided for Defendants by third parties.
6. Plaintiff may provide notice of the proceedings in this case to Defendants, including service of process pursuant to Fed. R. Civ. P. 4(f)(3), and any future motions, by electronically publishing a link to the Pleadings, this Order, and other relevant documents on a website and by sending an e-mail with a link to said website to the e-mail addresses identified in Exhibit 3 to the Declaration of Frank Padberg and any e-mail addresses provided for Defendants by third parties. The Clerk of the Court is directed to issue a single original summons in the name of "Anhui Dodo Pet Products Co., Ltd. and all other Defendants identified in the Amended Complaint" that shall apply to all Defendants. The combination of providing notice via electronic publication and e-mail, along with any notice that Defendants receive from payment processors, shall constitute notice reasonably calculated under all circumstances to apprise Defendants of the pendency of the action and afford them the opportunity to present their objections.
7. Any Defendants that are subject to this Order may appear and move to dissolve or modify the Order as permitted by and in compliance with the Federal Rules of Civil Procedure

and the Northern District of Illinois Local Rules. Any third party impacted by this Order may move for appropriate relief.

8. The \$146,000 bond posted by Plaintiff shall remain with the Court until a final disposition of this case or until this Preliminary Injunction is terminated.
